

LOANZO PROTOCOL

HACKATHON & INVESTOR DOSSIER

v2.4 Production Prototype • 2026

DECENTRALIZED SOCIAL LENDING & LEGAL PROMISSORY ESCROW

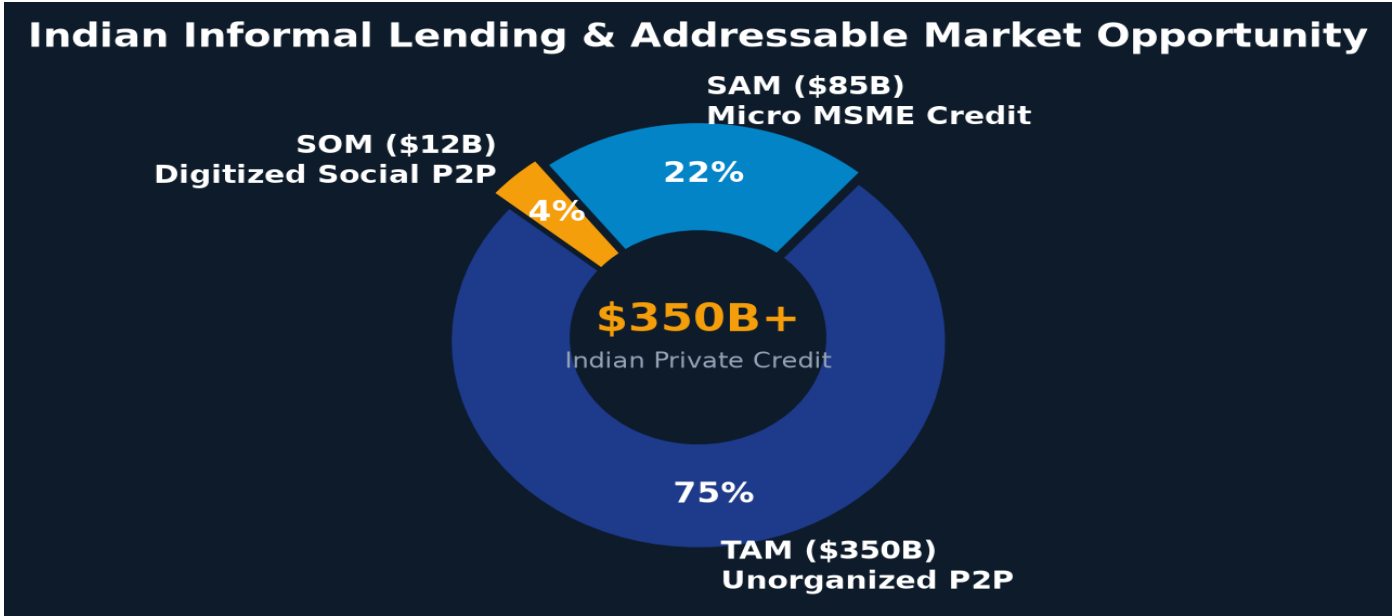

THE PROBLEM: \$350B UNORGANIZED CREDIT

- **Zero Legal Enforceability:** Informal loans lack Promissory Note compliance under the NI Act 1881.
- **Predatory Rates:** Daily compounding interest rates reach 36% to 120% per annum.
- **Muscle Recovery:** Defaults trigger harassment without formal civil recourse.
- **No Credit Footprint:** Timely repayments build zero official CIBIL score.
- **No Discharge Evidence:** Family gold is held hostage with zero clearance papers.

THE LOANZO PROTOCOL SOLUTION

- ✓ **Binding Promissory Notes:** Automated 4-page contracts with SHA-256 legal attestation.
- ✓ **Biometric Canvas E-Sign:** Finger canvas drawing + selfie liveness check.
- ✓ **Decentralized Agent Mesh:** Geotagged physical KYC visits and cash collection.
- ✓ **Collateral Vault Lockers:** Tamper-evident barcode-sealed physical lockers.
- ✓ **Automated Legal NOC:** Instant debt satisfaction letters upon 100% repayment.
