

LOANZO: THE LENDER'S VAULT

Aisha's Comprehensive Journey: Fixed Deposit Alternative to 8.2% Secured Yields

AISHA KHAN Verified P2P Investor	ROHAN SHARMA Verified Borrower	PRIYA SHARMA Verified Co-Borrower	VIKRAM RAO Certified Doorstep Valuer	LOANZO (MASCOT) Living Smart Guide
Software architect in Pune with idle savings seeking inflation-beating asset-backed yields.	Electronics merchant in Pune pledging 50g 22K gold with 18 community vouches.	Rohan's sister who binds joint liability on her own app account using biometrics.	Field agent who assays gold purity, weighs on calibrated scale, and seals barcode bag.	Animated smartphone companion guiding Aisha through risk analysis and legal security.

- Aisha's 5 Institutional Protection Pillars:
- 1. Physical Gold Collateral: Vaulted in an insured bank locker (max 75% LTV buffer).
 - 2. Verified Co-Borrower Guarantee: Joint legal liability under Section 128 Indian Contract Act.
 - 3. Community Peer Vouches: Local merchant reputation vetting reduces delinquency risk.
 - 4. Direct-to-Payee Tranches: Proceeds sent directly to wholesale suppliers (zero cash diversion).
 - 5. Live Donut Audit Dashboard: Real-time visibility into supplier invoices, payee UPI IDs, and bank UTRs.

Panel 1: The Idle Savings Dilemma Aisha reviews her bank FD: 5.5% taxable returns (post-tax ~3.85%) lose against 6% inflation. Unsecured P2P has 12% defaults. She needs a secure, asset-backed solution.	Panel 2: Discovering Loanzo Aisha downloads Loanzo, gets DigiLocker verified in 30 seconds, links her bank account, and prepares to deploy idle savings safely.
Panel 3: Setting Smart Risk Filters Aisha configures criteria: Gold collateral only (max 75% LTV), mandatory verified co-borrower, and direct-to-supplier payee tranches.	Panel 4: Mascot Loanzo Leaps into Action Mascot Loanzo leaps across Pune to match Aisha with a verified, asset-backed borrower with flawless credentials!

Panel 5: The Strategy & Portfolio Health
At her tech office in Pune, Aisha analyzes Loanzo's lender analytics: 0% default rate across asset-backed loans, confirming prime safety.

Panel 7: CERSAI Vault Custody Certificate
Aisha inspects the legal bank custody certificate on her phone: CERSAI registered, verified insured locker custody for Bag G408459.

Panel 6: Deep-Dive into Borrower Profile
Rohan's profile: Fully verified, 18 strong community vouches from bazaar merchants, and sister Priya bound as verified co-borrower.

Panel 8: The Results & Auto-Invest
Investment comparison: Loanzo secured 8.2% yield beats 3.8% bank FD with zero defaults! Aisha happily taps the Auto-Invest button!

Panel 9: Marketplace Opportunities

Aisha scrolls through verified loan opportunities with gold collateral badges and verified co-borrower indicators.

Panel 11: Placing Winning 8.2% Bid

Aisha places her competitive bid of 8.2%, beating rival institutional offers (9.0% and 8.5%).

Panel 10: Reviewing Rohan's Opportunity

Rohan's ₹5,00,000 retail inventory loan proposal looks solid, backed by 50g 22K family jewellery.

Panel 12: Bid Confirmation & Lock

Rohan accepts Aisha's offer immediately, locking in prime terms for both parties!

**Panel 13: Bid Accepted Alert**

Aisha's phone buzzes: 'BID ACCEPTED! Doorstep Valuer Dispatched.' Aisha tracks certified Valuer Vikram Rao in real-time.

Panel 15: Barcode Bag G408459 Sealed

Gold sealed in tamper-evident barcode bag G408459 with joint physical signatures, ready for bank vault safe custody.

**Panel 14: Live Doorstep Assaying Audit**

Aisha's app streams live assaying photos: 22K touchstone purity confirmed, net 50.1g pure gold on calibrated scale.

Panel 16: Tripartite Biometric eSign

Aisha reviews the digital contract on her phone and authenticates with her fingerprint: 'Agreement signed with biometric! Loan active!'

AISHA: THE SUCCESS STORY

Panel 17: Direct Wholesaler Disbursal

Aisha releases ₹2,00,000 directly to Raj Electronics Wholesalers (Verified Bank Account) with bank UTR proof, ensuring 0% cash diversion.

Panel 19: Monthly Automated Inflows

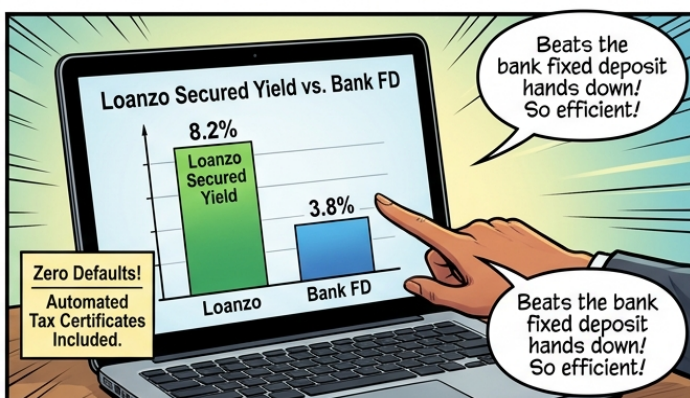

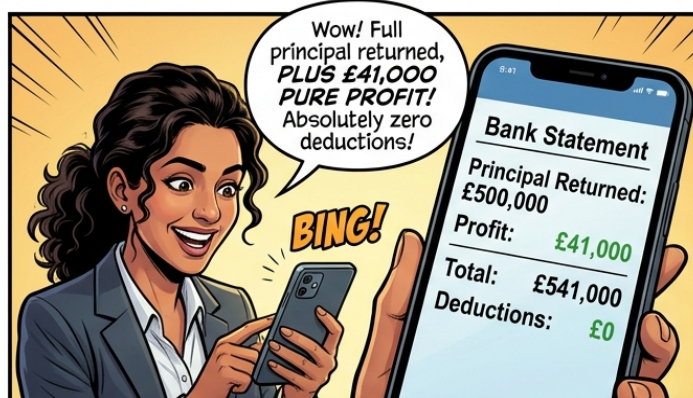

June, July, August... ₹12,500 monthly automated EMIs arrive on time via NACH auto-debit with real-time Form 16A TDS certificates.

Panel 18: Live Donut Utilization Audit

Aisha inspects real-time dashboard: 70% Stock, 20% Fixtures, 10% Delivery. Zero unapproved spending detected!

Panel 20: Full Repayment & Wealth Reinvestment

Loan settled! Aisha receives ₹5,41,000 total (₹41,000 net profit, beating bank FDs by 49%). Gold released to Rohan; Aisha taps Reinvest!

Panel 21: Net Profit Realization

Aisha reviews her verified bank statement: Full **£5,00,000** principal returned plus **£41,000** pure interest profit with zero deductions! Total received: **£5,41,000**.

Panel 23: Total Peace of Mind

Aisha enjoys morning coffee on her balcony: 'Pure peace of mind. Knowing my investment in gold was vaulted safely in an insured bank locker.'

Panel 22: Outperforming Bank Fixed Deposits

Loanzo 8.2% secured asset-backed yield beats bank fixed deposit (3.8% post-tax) by 49% with zero defaults and automated Form 16A tax compliance.

Panel 24: Wealth Compounding & 1-Tap Reinvestment

Aisha taps glowing **[Reinvest All]** button to compound her capital into new gold-backed loans. Wealth compounded safely!
