

LOANZO: THE TRUST LEDGER

A Graphic Novel Guide to Verified P2P Secured Lending in India

MEET THE CHARACTERS:

ROHAN SHARMA Primary Borrower	PRIYA SHARMA Verified Co-Borrower	VIKRAM RAO Certified Doorstep Valuer	AISHA KHAN Verified P2P Lender
Electronics store owner in Pune needing ₹5 Lakhs for festival inventory. Uses DigiLocker KYC.	Rohan's sister. Registered Loanzo user with her own account. Authorizes joint liability via biometrics.	Loanzo Field Agent equipped with certified digital scale and the Loanzo Agent App for gold assaying.	Community lender seeking safe, high-yield asset-backed lending with full expenditure transparency.

"In a country where informal lending is plagued by fear, fake documents, and unverified promises, Loanzo creates a bulletproof digital bridge where trust is verified, collateral is safely vaulted, and every rupee is itemized."

Chapter 1: The Need & Verified Co-Borrower

Panel 1: The Diwali Crunch

Rohan: 'The Diwali festival rush is coming... I need to buy extra stock! ₹5,00,000... How am I going to afford this?'

Context: Informal moneylenders demand 24% interest; commercial banks take 3 weeks.

Panel 3: Marketplace Pitch

Rohan: 'There, posted on the marketplace! Loan Request: ₹5,00,000 for business stock @ 8.5% for 12 months. Hope someone connects soon.'

Panel 2: 30-Sec DigiLocker KYC

Rohan: 'Wait, the Loanzo app! Let me check... Ah, perfect! Aadhaar/PAN verified, biometrics registered, and instant CameraX selfie check complete! ✓ DigiLocker Verified!'

Panel 4: In-App Co-Borrower

Rohan selects '@priya (✓ Verified Co-Borrower)'.

Priya (on HER phone): 'Authorized on my Loanzo account! Both of us are verified now!'

CHAPTER 2: BIDDING WAR & GOLD COLLATERAL

'Chapter 3: Doorstep Valuation & Multi-Party eSign'

Panel 9: Professional Assaying

Certified Agent Vikram arrives with a calibrated jeweler's electronic scale, testing 22K touchstone purity and weighing in front of Rohan & Priya.

Vikram: 'Checking purity now. Net weight 50.1g solid 22K!'

Panel 11: Multi-Party Legal eSign

Rohan: 'Signing legal agreement digitally. Priya is too as co-borrower.'

Priya: 'My fingerprint authenticates it easily on my phone!'

Aisha: 'Lender sign confirmed on my Loanzo app!'

Panel 10: Loanzo Agent App & Barcode Seal

Vikram inputs net weight into the **Loanzo Agent App**, matching live IBJA rates (₹3.5L valuation). Seals ornaments in a tamper-evident barcode security pouch.

Vikram: 'Sealing securely with barcode #G408459.'

Panel 12: Instant UPI Disbursal

Lender Aisha taps [Disburse via UPI] on Loanzo.

Rohan's Phone: 'TING! ₹5,00,000 Received via GPay (Bank UTR Ref: 1234567890).' Funds arrive immediately!

CHAPTER 4: TIMELY REPAYMENTS & SECURE P2P

Panel 13: In-App & Bot Alerts

In-App Notification Center and `@Loanzo\_bot` send proactive payment schedules, dynamic UPI QR codes, and 3-day countdowns.
Rohan: 'I never have to worry about missing deadlines!'

Panel 15: Joint Co-Borrower Liability

If an EMI is delayed, urgent alerts flash on **BOTH** Rohan's and Priya's apps.

- **CIBIL Impact:** Both credit scores face a 45-point penalty.
- **Day 90+ NPA:** SARFAESI public auction protocol for gold.

Panel 14: Grace Period & RBI Cap

- **Days 1–3:** Statutory Grace Period (0% fee, 0 credit hit).
- **Day 4+:** Compound penalty activates: $\text{Penalty} = P_{\text{overdue}} * [(1+r)^m - 1]$. Strictly capped at RBI 2.0% monthly maximum.

Panel 16: 100% Scam-Free Guarantee

- **Lenders:** Zero ghost borrowers, co-borrower backup, vaulted gold, direct tranches, and court-enforceable eSign.
- **Borrowers:** No loan sharks, RBI-capped fees, insured vaulting, and instant legal clearance NOC.

Chapter 5: Direct Tranches, Repayment & NOC Certificate

Panel 17: Direct Wholesaler Tranche

Rohan orders festival electronics stock. ₹2,00,000 is transferred directly to the verified distributor's UPI ('distributor@bank') via Rule Engine, eliminating cash diversion.

Lender Aisha's App: Real-time dashboard shows 70% Inventory, 20% Fixtures, 10% Logistics.

Panel 19: Punctual EMI Repayments

Rohan pays each EMI punctually on the app using 'SwipeToConfirmButton'. Both Rohan's and Priya's Credit Health Scores surge to **820 (Prime Tier)**!

Panel 18: Telegram Bot Reminders

Every month, '@Loanzo_bot' sends automated friendly alerts with dynamic UPI QR code: 'Reminder! Monthly EMI of ₹12,500 is due. Pay using this QR code.'

Panel 20: Zero Balance & Golden NOC

Final EMI paid! Outstanding balance: ₹0.00. The sealed 50g gold is returned safely from the vault. Celebratory confetti bursts and Loanzo issues an official golden **No Objection Certificate (NOC) & Debt Clearance Letter (PDF)**!
